MANDATORY STEWARD TRAINING CLASS

The first Mandatory Steward Training Class of 2015 will be held on Wednesday, January 28, 2015 at the Union Hall:

Day Shift: starts at 4:00 pm

Swing/Graveyard: starts at 12:30pm

Attendance will be recorded. All stewards must attend; other members may attend also if they wish.

OVERTIME

In your departments make sure overtime is being distributed correctly and equally according to the contract.

OVERTIME RECORDS

It is being reported all over the plant that there are issues with department overtime records. All managers-departments should be keeping an accurate account of overtime records worked/offered to all employees on all shifts. There are some managers-supervisors out there telling employees they are not keeping OT records and do not have records of overtime. Members need to know that AT ANY TIME YOU MAY REQUEST OVERTIME RECORDS. Please see Article VI, Section 2 (B) of the new contract:

"2. Uniform records of overtime shall be maintained in each Department and upon request will be given to the union steward and be made available for informational purposes to employees upon request".

NEXT MEETING

The next regular Local Lodge meeting is Wednesday, February 11, 2015 at 4:00 pm. Dinner is served after the meeting.
