American-made sunglasses under 25 bucks!

By Roger Simmermaker

When is the last time you saw a pair of American-made sunglasses? And when was the last time you saw them for under \$25.00? My guess is probably never.

Right now, for a limited time only while supplies last, you can get quality [American-made, union-made sunglasses](#) with 400 UV Protection, shatterproof poly-carbonate lenses, comfort-grip adjustable arms, all for just \$24.95! They even come with a micro-fiber carrying case!

These [RL Viper Sunglasses](#) were made in a very high-quantity for a

United Steelworkers Union promotion. Too many were produced, however, resulting in a limited quantity of overstock. And now the sunglasses that remain can be offered to you at a very special close-out price.

All sunglasses have been custom-engraved with 'Buy American' on the front so everyone will know how important it is to you that you support American workers and American prosperity!

After the July 4th fireworks are over, you'll be dealing with the bright sun the rest of the summer. Put your patriotism on display every day with these 'Buy American' sunglasses that are made in the USA!

Order now at [www.howtobuyamerican.com](http://www.howtobuyamerican.com) while supplies last!
