

UNION REPORT

FOR ABM EMPLOYEES ONLY

SBM Management has secured the Custodial Contract with LM Space starting Aug. 1, 2021

The Union learned yesterday afternoon that SBM management was awarded the custodial contract with LM Space with a target date of August 1, 2021 to start operations.

The Company has expressed its willingness to work with us and to do what is right for our membership.

The Company and the Union will meet, tomorrow Wednesday afternoon via Zoom. We will inform you about the proceedings afterwards.

I will remind you that ABM will still be the custodial contractor up until July 31, 2021. The IAM still has a Collective Bargaining Agreement (CBA) with ABM set to expire on Nov 17, 2021 and we are continuing to represent you. I will meet with you all as soon as possible and coordinate that meeting with Senior Steward Maria Avila.

The Union looks forward to working with SBM management on your behalf and will work for a better Collective Bargaining Agreement.
